

**A Tribute to Pete Shepherd  
Our Founder Who Passed in January**

Pete had such vision — he turned a cornfield 41 yrs ago into the adventure & destination point known as Hooper's Crab House. Never stopping through the years, Sneaky Pete's was created. Next was Pirate Pete's, The Hustler, where thousands enjoy just relaxing while they dine, children love the joy of being on the boats.

At 82 and still going strong, Pete completed his final dream to max out all 4 acres & Westside 50 Shopping strip was developed. Pancho & Lefty's Tex Mex restaurant at the end of Westside was an added touch to his dream.

If you met Pete, you knew what an amazing man he was. You always walked away with a smile in your heart from a story told, a kind deed done, great advice given & knew he was a man who cared and always was there to listen.

Pete will live on in our hearts forever.

Hooper's was a dream come true for him and watching it become a reality has been magical — knowing all the hard work was worth it.

Forty one years & still going strong — thanks to all our wonderful customers, of which so many have become part of the Hooper's family. Seeing all the wonderful familiar faces each season and being able to introduce & share the experience of Hooper's with so many new customers, makes our hearts smile.

We appreciate and "Thank you" for choosing us. Enjoy the adventure. Come see us again.
