

## What's Up With The Flags?

To better serve you, take advantage of our flags located on the end of your table

What are these parking meters all about and why are they here???

They are the actual meters that once lined the streets of Ocean City and now they collect quarters for an exceptional cause...to raise, with your help, as much as possible for a heart warming organization called Believe in Tomorrow/Children's House By The Sea. Each week, six families who have mountains to climb in their lives, are given

the opportunity to get away and enjoy a peaceful space in time at the beach. Beautiful activities are planned for them---from cookouts, to an evening on the boardwalk and dinner at Hooper's. Keep your meter full while you dine for the opportunity to win an array of exciting prizes. If our prize wheel lands on your table number, and your time hasn't expired, you can instantly win anything from t-shirts, appetizers, drinks, desserts and more!

## Thank You!

Thank you for your continued support over a quarter century of dining in the bay. We strive to bring you the tradition of the Chesapeake along with all the fun and escape of the Florida Keys, right here in your backyard. "Thank you" for being a part of Sneaky Pete's...we can't wait to see you again...

Sincerely,  
Pete and Royette Shepherd  
Ryan, Mike, Charlie  
and Sneaky Pete's Staff
