

# DON'TS OF HOOPERS:

## DON'TS:

No trays or dirty dishes at the server stations or on ice bins \_\_\_\_\_

No cell phone at work unless it's an emergency or if you have children. If caught with a cell phone, YOU WILL BE SEPARATED FROM PAYROLL. (always let a manager know if this is the case). \_\_\_\_\_

No smoking or chewing gum- ever!

Never walk back into the kitchen empty handed. Pre-bus your own tables or help someone else with theirs. \_\_\_\_\_

Never ask a customer in the shirt shack or at the front door how everything was. Bad idea. \_\_\_\_\_

Never go behind the helm for any reason. \_\_\_\_\_

Never stand up in the front unless you are waiting to seat a table or to talk to a manager. \_\_\_\_\_

Never take unpolished silverware or crinkled silverware bags to a table. \_\_\_\_\_

Never fan yourself, especially with your tray or menus. \_\_\_\_\_

Never use plastic cups for your own drink, only use cone cups - they are purchased specifically for server use. \_\_\_\_\_

Never stack chairs on the deck until all customers have left. \_\_\_\_\_

Do not waste feast food by bringing too much - the managers monitor this as they walk through the room. \_\_\_\_\_

Never be rude to anyone, when you are in the weeds you want all the help you can get, so if you're always nice and willing to help others you will get help in return. \_\_\_\_\_

Never let tables suffer because you are embarrassed to ask for help, ask a fellow server or a manager if you need any assistance with a table. \_\_\_\_\_

Never hang out by the hostess station. There is no reason to be up there unless you are helping to seat. \_\_\_\_\_

Never use any china or glass that is chipped or cracked. \_\_\_\_\_

Never hold a dish so that your fingers touch the food. \_\_\_\_\_

I have read and UNDERSTAND what I should not do while working at Hooper's in order to retain my employment. I am also aware of the consequences of bringing my cell phone to work and if caught with it will result in SEPARATION FROM PAYROLL.
