

A Tribute to Pete Shepherd
Our Founder who passed in January 2022
His Journey--

Back in 1981, Pete had a vision to turn a cornfield on the outskirts of town into the adventure and destination point we all know now as Hooper's Crab House. Never satisfied, in 1991 he decided to build a marina on the property and add a gazebo bar in it, thus Sneaky Pete's.

Shortly afterward he transformed an old, working crab boat into a picnic boat called Leaky Pete's for customers to enjoy. This too proved so popular that another boat, Pirate Pete's, was added in 2007 for families to enjoy and later The Hustler which features a stage for live music. Every summer thousands of guests relax while they dine as their children discover the joy of eating on the boats.

In 2002, a devastating fire destroyed nearly everything -- nothing survived but Sneaky Pete's and the Caboose carryout train car. As fearless as ever, Pete began the insurmountable process to rebuild the very next day. The support from loyal customers and staff was overwhelming; Sneaky Pete's was open that summer while the construction continued. In June of 2003 Hooper's reopened thanks to the hard work of countless staff and members of the community and has continued to grow to this day. In 2005, Pete took a gamble on a young, local kid fresh out of school to add yet another attraction for his guests to enjoy. What started with single boat has now blossomed into one of the premier watersports experiences on the east coast.

At 82 and still going strong, Pete completed his final dream to develop the remaining piece of his 4 acres. Out of the dirt grew Westside 50, a premium shopping center with a hidden gem tucked into it's corner, Pancho & Lefty's Mexican Grill. As with Hooper's and Sneaky Pete's before it, Pete alongside his wife, Royette, gathered and hand-picked artifacts from across the country to make Pancho's another authentic, one-of-a-kind dining experience.

If you met Pete, you knew what an amazing man he was. You always walked away with a smile in your heart from a story told, a kind deed done or great advice given and knew he was a man who cared and was always there to listen. Creating Hooper's was his dream that transformed into a reality that has brought joy to millions due to his hard work and vision. All these years later, it is seeing all those smiling familiar faces, and meeting new ones, that is the greatest reward.

We appreciate and "Thank You" for choosing us each and every year. Enjoy the adventure and come see us again soon to see how Pete's legacy will continue to grow!
